

RECOMMENDED CLOTHES LIST

Winter Clothes List

To ensure your child gets the most out of their day please can you provide the following items during the colder, winter months. We ask parents to put children in old clothes as we like to get messy in the garden and we do not want to ruin the children's good clothes. At Norto5 Kidz academy, we like to go out whatever the weather, including the babies.

Welly boots so we can go splashing in muddy puddles.

An all in one water proof coat. This will ensure the children can play outside whatever the weather.

Warm clothing e.g. thick jumpers, socks cardigans etc. This is to ensure we don't get cold.

A hat, gloves and scarf for the colder weather.

Please can you ensure all items are named and you are welcome to leave them at nursery in a bag, or take them home.

A water bottle so we can stay hydrated at all times, including when we are out and about on walks and in the garden. This allows the children to take ownership of how much water they are drinking.

Summer Clothes List

To ensure your child gets the most out of their day please can you provide the following items during the warmer, dryer months. We ask parents to put children in old clothes as we like to get messy in the garden and we do not want to ruin the children's good clothes. At Norto5 Kidz, we like to go out whatever the weather and we want to protect the children from harmful UVA rays.

Please can you provide sun cream for your child during the Summer months (April-September). This is to ensure children do not get burnt whilst in our care. We ask parents to provide sun cream as some children have allergies to certain sun creams.

A water bottle so we can stay hydrated at all times, including when we are out and about on walks and in the garden. This allows the children to take ownership of how much water they are drinking.

A sun hat.

Spare cool clothes e.g. shorts, t-shirt or vest tops. As we like to use the paddling pool and have water fights during the Summer months.

Alternatively you are very welcome to supply a sun suit or swimming outfit during the warmer months, we supply swim nappies for those who are still in nappies.

Please can you ensure all items are named and spare clothes in a bag which you are very welcome to keep at nursery.
